- g. Offered Unit Prices for the Option Quantities are:

| | <u>Unit Price</u> |
|-------------------------------------|--------------------|
| Evaluated Option (F.O.B. Origin) | \$ _____ 55¢ Award |
| | \$ _____ 45¢ Award |

Varying prices may be offered for the option quantities actually ordered and the dates when ordered. In as much as the unit price for the basic quantity may contain starting, load, testing, tooling, transportation or other costs not applicable to option quantities, offerors are requested to take these factors into consideration while setting forth the unit price(s) for the option quantities. The option price is expected (but not required) to be lower than the unit price for the initial quantity.
